SECRETARY'S REPORT

Mr. Sweeney presented the minutes from the June 6, 2019 Board Meeting. A motion was made by **Mr. Raudenbush** to approve the minutes as presented. **Ms. Witwer** seconded. Vote was called; the motion passed unanimously.

The June 6, 2019 Board Meeting minutes are attached and hereto made part of the minutes.

TREASURER'S REPORT

Ms. Jeffries reviewed the Treasurer's Report and requested a motion to approve the Treasurer's Report as presented. Motion was made by **Ms. Witwer** and seconded by **Mr. McGrath**. Vote was called; motion passed unanimously.

The Treasurer's Report and all referenced documents are attached and hereto made part of the minutes.

COMMITTEE REPORTS

Articles & Bylaws

Mr. McGrath stated he will have a Red Line of the Bylaws for the September meeting

Communications & Newsletter

The summer edition of the newsletter has been distributed to the members and can be found on the Chapter website.

Legislative & Policy

A letter was received from the USPS thanking the Chapter for its input regarding the National Garbage Man Day Stamp.

The documents referenced are attached and hereto made part of the minutes.

Membership & Marketing

Ms. Hamill reviewed some of the questions the committee has regarding membership. These questions will be directed at SWANA International as the Chapter does not control member registrations.

Personnel & Nominating

Mr. Engel presented the slate for the 2019 Board of Directors Election for Board approval. 2 Public Sector and 2 Private Sector Director positions are up for election. **Mr. Sample** made a motion to approve the slate and distribute the ballot, as presented, to the members. **Mr. Brown** seconded. Vote was called; the motion passed unanimously.

Voting will be available for all members either by downloading the ballot and emailing it to Chanda@KeystoneSWANA.org or voting online.

The 2019 Board of Directors Election Ballot is attached and hereto made part of the minutes.

Fall Conference

Ms. Nestor presented the draft agenda. All the sponsorships are filled and there are only 5 booths open. A membership table has been added to the exhibit hall layout for the Membership Committee.

The draft agenda is attached and hereto made part of the minutes.

Mini-Tech Seminars

Ms. Wessels reviewed the Mini-Tech report. The Penn Waste Recycling Facility Tour is the next mini-tech with 5 people signed up to date.

The goals for the committee are to spread out the locations of the mini-techs.

The Mini-tech report is attached and hereto made part of the minutes.

Road-E-O & International

Mr. Sample thanked Wayne Township for their assistance with the 2019 Road-E-O. There is a new rule this year that scores and times need to be turned in to compete in the International Road-E-O. The 2020 Road-E-O could possibly be held in Delaware.

Mr. Sweeney thanked Northern Tier Solid Waste Authority and Wayne Township Landfill and everyone involved in the 2019 Road-E-O.

Safety

No report.

Scholarships

Congratulation to Madison Casey, one of the Chapter's scholarship recipients. Ms. Casey was chosen to receive a \$5,000 scholarship from SWANA International.

Young Professionals

Mr. Brown reported that SWANA is attempting to recruit more collegiate members.

Strategic Planning

Mr. Sweeney presented the goals of the committee including a focus on branding and determining the needs of the membership.

Dear Mr. Sweeney:

Thank you for your submission to the Citizens' Stamp Advisory Committee expressing support for the issuance of a commemorative stamp honoring National Garbage Man Day.

I am pleased to inform you that this proposal will be submitted for review and consideration by the Committee at their next meeting. The Committee is responsible for reviewing stamp proposals and making recommendations to the Postmaster General.

Each year the Postal Service receives thousands of letters suggesting hundreds of different topics for new stamps. The Citizens' Stamp Advisory Committee was established in 1957 to review all suggestions and make recommendations to the Postmaster General. Committee recommendations are based on national interest, historical perspective and other criteria as outlined at: <http://about.usps.com/who-we-are/csac/criteria.htm>.

Your support of the U.S. stamp program is very much appreciated.

Sincerely,

A handwritten signature in blue ink that reads "William J. Gicker".

Subject: Fundraising for Solid Waste Management Competition

Good evening Dr. Bidanda and the Keystone Chapter,

My teammates, who are CC'ed to this email, and I are working on the Wastecon project as a representing team for the University of Pittsburgh. Mari Kay Hannon, Sherilyn Selvakumar, and I, Rim Biaz, started working on this project during our information systems course with Dr. Luangkesorn, and we added on our other essential teammate, Mckenzie Nugent who is an environmental engineer. The Solid Waste Association of North America is hosting the Wastecon conference for all teams of the universities participating. The presentations will take place the 20th and 21st of the month of October. For this presentation, we are presenting a poster that we are in the process of working on until September 2nd is when it is due. I have attached to this email the problem statement and the website where more information can be found about the conference.

We are writing this email in regards to the inquiry of fundraising our plane rides to and from Pheonix, AZ, and the bookings of a hotel. I have also attached to this email the hotel information. We were informed that the sooner we ask for fundraising the cheaper we could find for my team. We would really appreciate it if we start the process to get the funds for this conference or be pointed in the right direction of who can fund us.

Thank you so much for your time and help,
The Pittsburgh Wastecon Team
